## EDUCATION

**Technical University of Cluj-Napoca**

*Bachelor's degree*

Industrial Engineering and Robotics

**Location: Cluj-Napoca**

*Graduation Date: 2027*

## WORK EXPERIENCE

**Eatery Club**

*Software Developer (Internship)*

**Location: Odessa (Ukraine)**

*Dates: November 2021 - May 2022*

In November 2021, I got a job at the Eatery Club company in Ukraine (Odessa) as an intern. At work I was developing the interface of their product using html / css / javascript / react.js. This was my first commercial development experience. Improved my programming skills and learned how to use Jira and resolve conflicts when merging git branches. I had my own mentor who taught me everything related to work.

## FREELANCING EXPERIENCE

I also did freelancing, completed 2 orders in developing a website interface based on the Figma layout using (HTML / CSS / Javascript) on the Kwork platform.

## SKILLS & INTERESTS

**Skills:** HTML / CSS / SCSS / JavaScript / React.js / Redux / React Router / Git / PHP / MySQL

**Interests:** At the moment I am working on my own project in ecommerce, I also graduated from music school with honors, and I play musical instruments.
